# I Can Make a Difference

**Put the person with Dementia at the centre  
of everything we do**

Link into the core needs of  
the person with dementia

Challenge the old style of  
task led care and be inspired  
to want to make a difference

Think outside of the box,  
Look at situations and  
not think of problems  
but solutions

**Includes the "I Can Make a Difference" Handbook**
